DYNAMITE

(Music: Mörck, Elize Lyrics: Jake E, Mörck, Elize)

Face it
I told you I'm on fire
But I am energized
And won't apologize
I'm digitized, I'm hypnotized

No excuse
Break the bonds, a gasp of air
My will is strong
Get out of here my mind is futile
I'm just a statuette
Without a timer set
While I apply my dynamite

**COME ON BELIEVE ME
YOU CAN'T DENY
FROM THE BLAZE IN MY EYES
I AM HYPNOTIZED AND
I CAN ACHIEVE IT
I WILL ARISE
LIKE THE FIRE IN THE SKY
I AM DYNAMITE**

Face me, I belong in the fire
And I am synchronized
I have been optimized
I'm crystallized
I'm liquefied yea

Light the fuse, See the sign
Unbalanced heart
I'm in my prime
Get out of here while there is still time
I'm reaching overload
I'm going right on top
While you abide my dynamite

*Tell me command me
I'd walk through fire and stone if you want me
and no one can stop it
If you want it
I can achieve it if only you ask me
you better believe it*

DROP DEAD CYNICAL

(Music: Mörck, Elize, Jake E Lyrics: Jake E, Mörck, Elize)

I need attention
Feed on my addiction
I want the action
Satisfaction
You have to feed me
Words that I inquire
So my discord
Someday takes me higher

I hope to thrill you
let expectations rise
I want to bring you
Somewhere you can't compromise
I'm coming at you
like a cannonball
So here's the truth
You are Drop dead cynical

**WELCOME TO A NEW WORLD
OPEN UP THE GATES TO PARADISE
SO LET'S GET CYNICAL
FALL INTO A NEW MAZE
OPEN UP YOUR EYES AND SOON WE'RE ALL
WE'RE DROP DEAD CYNICAL**

It's your illusions
Fatal contradiction
I need the action
Premonition
I like to thrill you
I am what inspire
Let you explode in a
Cosmic fire

*You're Diogenes
Enlightened Zeon's mind
Ten times a cynic
As the man behind the shine
You make it hard
To justify it all
See what you are
You are drop dead cynical*

JAKE E VOCALS

TRINITY

(Music: Mörck, Elize Lyrics: Jake E, Mörck, Elize)

“Resistance is Futile”

Like the sun comes crashing down
You will set the world on fire

Deep down you got to know why
We prepare for war
It's vengeance or sacrifice

Incapability to hide
From the predictable desire

Time's up, All in
I will rise to top

*Going to crush us put us to sleep it's lifting us up
As our instincts come alive
Got to never give in as we're falling into the sky*

*This time gonna let us all shine
One makes three in this chemistry*

**TRINITY
IS THE KEY TO FEEL ALIVE
IT'S JUST A SHATTERED WORLD
THERE RIGHT BEFORE YOUR EYES
YOU SEE THE WILL TO FIGHT
AS WE LIVE AND DIE
I SEE THE LIGHT, IT'S TRINITY, UNITE**

As I set the sky alight
An inescapable empire

Heads up, You got to realise
That glow you see
Forever will haunt us

As we break the chains of might
In dependence of the fire

Give up
This ground sterilized
For all time

MASSIVE ADDICTIVE

(Music: Mörck, Elize, Jake E Lyrics: Jake E, Mörck, Elize)

Give me purity, strength and affection
Give me lust to ignite my devotion for life
It's where beauty comes alive

Can't you see I'm a slave to the darkness
Cutting down
And I know I have done this before
As I stare into the wall

*And now it's time to let it shine
Cause don't you know I'm addicted*

**MASSIVE ADDICTIVE
AND SUDDENLY I'M GREATLY AFFECTED
LIKE BURNING FIRE INSIDE
MY CYANIDE
SCARED OF LOSING MY MIND
MASSIVE ADDICTIVE
I'M TOTALLY COMPLETELY AFFLICTED
AS I INSPIRE THE LIE LIKE A LULLABY
CRAWLING AROUND IN MY MIND**

Unremitting
Demand of my hunger
Time stands still
As I am losing the grip of it all
Like a thousand times before

Give me antidotes
Constant removers
Make an instant deductive denial in vain
Cause I always stay the same

*And now it's time to be reborn
Although I know it's addictive*

*It's a massive destruction
Combination of glory and hope
A schematic affliction
Of a feeling inside what I sworn*

DIGITAL WORLD

(Music: Mörck, Jake E, Elize Lyrics: Jake E, Mörck, Elize)

We spin the world like a pinball machine
We have thoughts of a life in abundance
Day and night we wish movies were real
And what is behind the screen is our entrance

*I'm like a satellite
Transmitting different eras
I am the voice of the next generation
Completely digital
Create synthetic auras
Start a revolution now*

**YOU WILL NEVER HAVE TO CRY
CAUSE THE FUTURE IS SOLD
YOU CAN NEVER DIE
AND YOU'LL NEVER GROW OLD
BUT EVERYTHING
SURROUNDING YOU IS DIGITAL
NEVER BREAK THE MOLD
YOU DO AS YOU'RE TOLD
FREEDOM IS FOR SALE
IF YOU GIVE THEM CONTROL
ERASE RETURN
IN A DIGITAL WORLD**

I know it feels like you are a part of a dream
You can fly and fight wars without judgment
You respawn and mistakes will repeal
But you will always be searching for an answer

*I'm like a satellite
Transmitting different eras
I am the voice of the next generation
Completely digital
Create synthetic auras
Start a revolution now*

JOHAN BASS

TRUE

(Music: Mörck, Elize Lyrics: Jake E. Mörck)

Always thought impossible
Break the chains of life
What I fought for every day
Could finally come alive
Whatever dreams I longed for
I strove for to defend
Whatever hope that's there for me
Will stay there to the end

There's no trace of yesterday examining my faith
See a starlit highway for the future I create
Before the darkness gets me I will spread my wings and fly
I transcend from chaos and the darkness turns to light

**THIS IS THE TIME
FOR CHASING MY DESIRES
WHAT'S IN MY HEART IS TRUE
AND IF MY DREAMS SET EVERYTHING ON FIRE
THEN I WOULD STILL BELONG TO YOU**

I never doubt the feelings that I had
Could bring me through
And every teardrop leaving me
Was leaving me for you

If all my instincts screamed to me
And tried to guide me through
Would I long for an eternity
Or just come back to you

*What I can dream
Scream
It's possible
But it will turn
Burn
Keep it real
Trust your dreams
And soon you'll stand here next to me*

UNREAL

(Music: Mörck, Elize, Jake E Lyrics: Jake E, Mörck, Elize)

Heads high
Throw the dice
Gonna break the odds
Make you feel alive
And the game is on
Going all night long
Midnight, million lights
It our time to shine
Get your dark side out
Well you're free to try - You will feel alive
If you can prove us right - With the dark side out

*Can't stop now
Can't give up, it's too late for us
Believe us, The field is our battleground*

**YOU CAN TRY TO DEFEAT ME, YOU WON'T WIN
YOU WON'T BEAT ME ON THE FIELD
MY FORTITUDE BEYOND UNREAL
IF YOU DARE INTERFERE ME
SLOW ME DOWN OR IMPEDE ME
I'LL GUARANTEE
MY VENGEANCE WILL BE SO UNREAL**

Half time
Live to win
Going to reach the stars
Never give it in
Well the fight goes on - Well the fight goes on
Until the war is won - Until the war is won
Step up break the ice
Time to set it up
Gonna knock them down
It's my time to shine - In this world of sin
And my time is now - We are here to win

*Can't stop now
Can't give up it's too late for us
Can't hide what
I feel inside, you won't deny
Can't feel that
I should step down, I won't allow it
Believe us, The field is our battleground*

OVER AND DONE

(Music: Mörck Lyrics: Mörck, Jake E)

Everywhere I go
I see reasons
For the pain
To subside
We're the same
But different people
And now we have gone
And thrown this aside

*But are we not answerable to committing a crime
I thought us invincible, I am losing my mind*

**OVER AND DONE, A CHANGING OF SEASONS
THE SUN THAT IGNITED OUR FEELINGS IS DOWN
AND I'M OVERCOME IF LOVE WAS THE REASON
WHY AM I ON THE RUN AND
SO LET'S TURN THIS AROUND
BEFORE WE'RE OVER AND DONE**

Anywhere I turn
There's an answer
For my soul to restrain
What was real
Has no longer meaning
Still I feel I belong
In a world around you

*But are we responsible of creating a lie
Is love unforgivable, My life's on the line
And is it over this time*

**OVER AND DONE, A CHANGING OF SEASONS
THE SUN THAT IGNITED OUR FEELINGS IS DOWN
AND I'M OVERCOME IF LOVE WAS THE REASON
WHY AM I ON THE RUN AND
SO LET'S TURN THIS AROUND
BEFORE WE'RE OVER AND DONE**

DANGER ZONE

(Music: Mörck, Jake E, Elize Lyrics: Jake E, Mörck)

Unreal
As I fight back
My heart is telling me
I just cannot settle everything
Now's my chance
I cant back down now
Got to keep moving
And nothing's gonna change my mind
I am the one , You call the enemy
Who you're trying to eliminate
All I hear Is breaking me down
I gotta go on, I'm gonna step it up now

**YOU USE TO CALL ME A HERO
NOW I AM STANDING ALONE
AM I ALMIGHTY
LIVING IN A DANGER ZONE
IT IS A COUNTDOWN TO ZERO
YOU CALL ME MISUNDERSTOOD
I'M HIGH ON FIRE
IN THE THE DANGER ZONE**

I kneel, Let it all out
I lack adrenaline
Back me up and give me everything
Will return, A sneak attack
I promise you that
You are gonna handle dynamite
M.I.A, A victim, a prophet
An man and a game
Trying to discriminate
What I say, Is building me up now
There's my way, the highway, or Destiny

***Danger
It's dangerous
I am out of control
Will I ever return
And it burns
Til I open my eyes
Danger - Dangerous***

I fear what I'd become
I see the danger in
Falling back to giving everything
All away, I've fought it back now
Always on the run
Living in a danger zone
I am alone, I am invisible
To the forces of duality
All I want is what I can't get now
Gotta get up and gotta get away now

SKYLINE

(Music: Mörck, Jake E, Elize Lyrics: Jake E, Mörck, Elize)

Resurrect me from enlightened circles
Crawling, I am undisguised
Disconnect me from this human circus
Searching for the undefined

Every morning is a new beginning
Burning in a sea of cries
Lift me up to meet my execution
Hiding from what I deny

***Irreversible, I am on fire
Unenforceable
Take me higher
Irrevocable, I can hear you cry***

**WAIT AND SEE
THIS IS MY ECSTASY
AND I WILL NEVER ABANDON THIS LIFE
(LET GO OF THIS LIFE)
CONSCIENCE CLEAN
BUT WHERE'S MY DIGNITY
UNLESS THE SKY'S THE LIMIT I FLY**

Please recess me from the world that's calling
Driven to insanity
Stand corrected you can hear me roaring
Yearning for tranquility

Every story is brand new era
Face it - I am falling down
Please delete me from the new world order
Screaming from the underground

AN ORDINARY ABNORMALITY

(Music: Mörck, Jake E Lyrics: Jake E, Mörck)

Can't save a life that burns
Entwine a million souls to fight
As we change gear to overdrive
We raise our voices in fear - Unite
Until the threats declined - Delivered
It's an alliance intertwined

Define sensational, The actions of a lie
It's like a mirror, Crushed in thousand pieces

We're so irrational, Your rules do not apply
Confirm your clarity And face a forced divinity

Subjective mental distain - Regain
Retain the clutch of the pain - Denial
I'm underestimated

**OH WHY
WON'T YOU BELIEVE
ACCUSE ME AND STRIP ME OF MY LIBERTY
HEY LOOK HERE, FOLLOW ME
IT'S AN ORDINARY ABNORMALITY**

Survived a miracle
Dramatically revived
We pull the trigger
Burst into thousand pieces

We're so adaptable
That we could change disguise
Confirm your clarity
And face a forced divinity

The bells will sing as you cry - You die
Unleash your beastial pride - Forever
It's an defiance of a lie

Restrain the light that burns
Endure the darkest side of fame
We overload and override
Selective central complain - Obtain
Regain the force of rain - Deliver
I'm underestimated

EXHALE

(Music: Mörck, Jake E Lyrics: Jake E, Mörck)

You sense there's a purpose
Of a higher life
A force in your heart
As if you were revived
Brand new grounds to explore
Before the night arrives

With unlimited options
It has just begun
I've done things that you won't
I wish I'd never done
As I look through the eyes of
What is my design

***You've taken the
Ascendancy***

**SHAKING ME, SAVING ME
IN THE DARKEST HOUR
FEAR WAS A PART OF ME
GROWING STRONGER
BREAKING INTO MY SOUL
LET ME SEE ETERNITY**

A life is a dream
One way directional
It starts with a cell, to something magical
You've been handed the world
A new Identity

***Compelling me
You're my relief***

**TURNING ME, BURNING ME
IN THE DARKEST HOUR
FEAR WAS A PART OF ME
GROWING STRONGER
BREAKING INTO MY SOUL
BRINGING ME SERENITY**

THE DAY I EXHALE
